

OLYMPICS QUESTIONS

Work together as a group to **brainstorm** as many Olympic sports as possible.

1. What Olympic Sports interest you most?
2. Which Olympic sports do you like to watch on TV?
3. Do you think you would enjoy a specific sport better if you could watch it **live**?
(live means in person at the event instead of on television or recording)
4. Do you prefer the summer or the winter Olympics?
5. If you could participate in one Olympic sport, what would you choose?
6. Which sport would you take away or which sport would you add?
7. What, **in your opinion**, is the most difficult Olympic sport?
(there is not a right or wrong answer, just what do you think?)
8. Should all sports be included at the Olympics?
9. Did you watch the Opening Ceremonies of the Olympics this week? If so, what did you like or not like about it?
10. What sports have you seen **so far**?
